ICAR-CIBA organised an awareness programmes on safe disposal of degradable/non-degradable items and shut single use plastic- 28th December 2023

ICAR-Central Institute of Brackishwater Aquaculture (CIBA), Chennai organized an awareness programme on cleanliness, hygiene and sanitation under Swachhta Pakhwada on 28th December, 2023 at Muttukadu, Tamil Nadu. Totally 40 participants including farmers, scientists, students and staff were participated in the programme. CIBA staff welcomed all participants and highlighted the importance of this campaign. They also sensitized the villagers about climate change and importance of cleanliness. Participants were also briefed about judicious use and safe disposal of single use plastic and importance fish waste processing technologies which is essential like pulicat area for getting more fish waste from markets. They were also apprised about the deleterious effect of various harmful anthropogenic activities like dumping of single use plastic in natural ecosystem, importance of safe disposal of degradable/non-degradable items etc. Later, swachh materials were distributed to the participants.

Awareness on safe disposal of degradable/non- degradable items and shut single use plastic among pulicat farmers, Tamil Nadu

Distribution of Materials to pulicat farmers, Tamil Nadu
