**ICAR-CIBA, Chennai organized a community mobilization for plastic waste
shramdaan on 27th December 2023**

ICAR-Central Institute of Brackishwater Aquaculture (CIBA), Chennai organized a community mobilization for plastic waste shramdaan as part of Swachhta Pakhwada on 27th December 2023 at Elavur village, Tiruvallur district, Tamil Nadu, to create awareness on shut single use plastics, waste management, usage of organic farming, cleanliness, hygiene and sanitation among the shrimp farmers and villagers. CIBA staff explained about Swachh Bharat Mission aim and objectives; importance of self-help principles; safe disposal of wastages from village premises including domestic wastages; and hygiene and sanitation. They also highlighted the importance of organic farming related with their health aspects.

Around 50 were participated including farmers, students, scientists and staff of CIBA in this programme. Various Placards explaining about different means to avoid plastic waste was administered to the participants. The participants understood the importance on the call on shun Single Use Plastics and affirmed solemnly on avoidance of Single Use Plastics to make our country greener and plastic free.
