### **1. Organisation and Function**

#### **1.1 Particulars of its organisation, functions and duties [Section 4(1)(b)(i)]**

**i) Name and address of the Organization:**

ICAR - Central Institute of Brackishwater Aquaculture  
Indian Council of Agricultural Research  
(Ministry of Agriculture)  
#75, Santhome High Road, Raja Annamalai Puram  
Chennai, Tamil Nadu. 600028

**ii) Head of the organization: DIRECTOR, ICAR –CIBA**

**iii) Vision, Mission and Key objectives:**

**Vision**

CIBA envisages its role as one of the world's foremost scientific research institute in brackishwater aquaculture through the pursuit of excellence in research and innovation that contribute modernization and development of sustainable Brackishwater aquaculture in the country.

**Mission**

Our mission is to realize this vision through basic and applied research, and providing technological backstopping suitable for Indian conditions for the development of sustainable brackishwater aquaculture, which would provide much needed food, nutritional security, employment, economic wellbeing and societal development.

**Mandates**

- Basic, strategic and applied research for techno-economically viable and sustainable culture systems for finfish and shellfish in brackishwater.
- Species and systems diversification in Brackishwater aquaculture.
- Act as a repository of information on brackishwater fishery resources with a systematic database.
- Human Resource Development, capacity building and skill development through training, education and extension.

**iv) Function and duties:**

Brackishwater aquaculture has been identified as one of the high potential areas for increasing finfish and shell fish production and for deriving maximum economic and social benefits. Indian Council of Agricultural Research (ICAR), New Delhi under the Ministry of Agriculture, Government of India established the Central Institute of Brackishwater

Aquaculture (CIBA) on 1-4-1987. The Central Institute of Brackishwater Aquaculture serves as the nodal agency for the development of brackishwater aquaculture in the country. The Headquarters of the Institute is located at Chennai with an Experimental Field Station at Muttukadu, about 30 km south of Chennai. The Institute has two Research Centres at Kakdwip in West Bengal and Navsari in Gujarat.

The institute functions with the following mandate:

- Basic, strategic and applied research for techno-economically viable and sustainable culture systems for finfish and shellfish in brackishwater.
- Species and systems diversification in Brackishwater aquaculture.
- Act as a repository of information on brackishwater fishery resources with a systematic database.
- Human Resource Development, capacity building and skill development through training, education and extension.

### **Administration**

The Director with whom all the administrative and financial powers of the institute are vested heads the institute. Administrative Officer and 2 Asst. Administrative Officers assist him in matters relating to general administration. One Finance & Accounts Officer and one Assistant Finance and Accounts Officer look after the financial and accounting aspects and also the internal audit of the institute. A technical officer attends to the technical matters including those connected with research projects handled by the institute.

### **The research work at CIBA is carried by the following Research Divisions**

- Finfish Culture Division (FCD)
- Crustacean Culture Division (CCD)
- Nutrition, Genetics and Biotechnology Division (NGBD)
- Aquatic Animal Health and Environment Division (AAHED)
- Social Sciences Division (SSD)

### **(v) Organization Chart**
