About 14AFAF

The 14th Asian Fisheries and Aquaculture Forum (14AFAF) is a scientific forum organized by the Asian Fisheries Society (AFS) once every three years to understand the global trends and address issues and challenges faced by the fisheries and aquaculture sector. The main purpose of this Forum is to provide an international platform for eminent scientists, young researchers, and other stakeholders across the globe to share their research experiences and innovative ideas. By facilitating the exchange of diverse range of knowledge and expertise, the Forum with the Theme 'Greening the Blue Growth in Asia-Pacific' aims to address key issues towards developing sustainable fisheries and aquaculture. We cordially invite you to join us for the 14AFAF scheduled during 12-15 February 2025.
